Nobody plays the guitar quite like Stanley Jordan. Defying categorization, Bolero is another in a line of Jordan hit releases. After perfecting his skill at playing with two hands on the guitar's fretboard and hammering or tapping the strings to produce melody, countermelody, and rhythm all at the same time, Jordan has gone on to break new musical ground with Bolero in fusing jazz, pop and classical. Besides his jazzy version of "Bolero," Jordan mixes original pieces with "Drifting" by Jimi Hendrix and the funk-pop tune "Chameleon." --- AllMusic Review
