Pandora's Bag is an original song cycle about bags and the women who wear them. The bag is examined as a metaphor for all things female and explored as adornment, status symbol and keeper of memories. Women of all ages will relate instantly to the hilarious 'Old Bag' and "Bag Porn" songs, while 'Laundry Bag and 'Pandora's Bag' offer more serious commentary about the position of women in the home and in war.

Stories both funny and moving link these contemporary and catchy songs played by Joanna and her all-girl band and modelled by 'Chantelle' bag model extraordinaire. A perfect girl's night out. --- hayestheatre.com.au
