When swing music made its pop cultural comeback in the 1990s, Big Bad Voodoo Daddy was at the forefront of the radio waves, winning over listeners with songs like “You & Me & the Bottle Makes 3 Tonight (Baby),” “Mr. Pinstripe Suit” and “Go Daddy-O,” some of which were featured in the 1996 hit film *Swingers*. The popularity of Big Bad Voodoo Daddy soared to such heights that they even performed during the halftime of the Super Bowl in 1999. Centering their sound on the swing style that remains synonymous with the American big band era of the 1940s and 1950s, the talented members of BBVD get the crowd dancing at every concert. Whether you want to call it new-swing, jump blues or lounge music, one thing is for sure: Big Bad Voodoo Daddy’s music isn’t going away anytime soon. ---goldstar.com
