Ellen Doty is a soulful Canadian vocalist and songwriter with a world-class voice. Doty's first album "Gold", a more traditional sounding pop-jazz album, was released in 2014. It reached the top 10 on several college radio charts in Canada, and she followed up the release with a crowd-funded, self-booked, 42 stop Canadian tour. In the past couple of years, Doty has been touring quite extensively in Canada. She had the chance to open for two-time Grammy-winner Gregory Porter, and recently completed a Western Canada concert theatre tour.

After nearly two years of experimentation and songwriting, Doty's long-awaited sophomore album "Come Fall" is set for release on March 2nd, 2018 on Alma Records / Universal Music. The project seeks to strip the music down to its bare bones, leaving a raw and incredibly spacious sound. No bass. No background vocals. No horns. No layers. Just piano, voice, and drums. ---ellendoty.com
