With a smile in her voice, Maria's impeccable articulation and precise diction captivate audiences through a musical breeze of swinging standards, Brazilian rhythms and romantic ballads. Inspired by Nat King Cole, Freddie Cole, Marc Jordan, Ella Fitzgerald, Karrin Allyson and Nancy Wilson, her spellbinding stage presence will uplift your mind and brighten your day.

Maria treats every song like a painting, drawing from her own experiences and interpretations of these timeless songs to engage with the listener. Maria is a vocalist, recording artist and bandleader who is drawn to the Great American Songbook for its beautiful and classic melodies with witty, intelligent and subtle lyrics, written by some of the greatest composers of our time.

Maria's latest album "As Time Goes By" (2018) with breathtaking arrangements by Torben Oxbol, consists of timeless gems and enduring classics by Johnny Mandel, Michel Legrand, Antonio Carlos Jobim, Johnny Mercer and Burt Bacharach, to name a few. ---cdbaby.com
