Venezuelan teen pop sensation Giovanni had the opportunity to make his first album after winning a contest called Quiero Ser Estrella (I Want to Be a Star) on the popular Latin TV show Sabado Gigante, broadcast in the U.S. by Univisión. Giovanni became a professional singer at the age of 13 with the release of a self-titled record, featuring his first hits: "Más de Ti" and "Todas Las Chicas Me Gustan." ---Drago Bonacich, Rovi
