LP reissue, in gatefold sleeve and 180 gr. vinyl. L'Incendie is the first collaboration between Areski and Brigitte Fontaine. Originally released in 1974 on the Byg Records label, it is their third collaborative album and an exceptional work. In a perfect symbiosis with Brigitte Fontaine's magnificent voice and surrealist texts, Areski creates a minimalist 'ethno-folk acoustic universe.' In the uniquely French 'dark chanteuse' genre, this is a classic. ---soundohm.com
