16 – *Nuda Proprieta'* 17 – *Medley Triangolo E Mi Vendo* 18 – *La Zero Nave* 19 – *Testimone*

Italian pop singer Renato Zero debuted in 1973 with his album *No! Mamma No!*; he had released earlier material though, collected on 1982's *Via Tagliamento* 1965-1970. He released five additional albums during the '70s (including the hits *Trapezio*, *Zerofobia* and *Erozero*) and hit the 1980s in stride with a double-album, *Tregua*. Zero was even busier throughout the '80s, with a total of eight albums released during the decade, among them *Artide Antartide*, *Identikit*, *Zero* and *Voyeur*. Though he had experienced a loss in popularity during the late '80s, he returned in full force with two albums during 1991: *Prometeo* and *La Coscienza di Zero*. Renato Zero followed up with albums released in each of the four years from 1993 to 1996, including 1994's *L'Imperfetto* and 1996's *Origini*.
