Diego Torres - Tal Cual Es (1999)

Lo que el viento se llevó

Como una ola

Dónde van

Puede ser

Qué será

La última noche

Vuelves a mí

Tal cual es

De tu lado

Ojos negros

Lluvia de verano

Dame una señal

Recuerda

had never heard any songs except for the one mentioned by Torres, and most of the songs are so beautiful. His voice is spunky, romantic, deep, and beautiful. He is very talented, and you feel the realness of his music when he sings. A perfect cd to relax to. I am looking forward to getting to know Mr. Torres further! I was glad to see him in People en espanol's most beautiful people, b/c he is not just pretty on the outside, but what comes out when he sings is also the cure to one's mind. Enjoy! --- mitzigg04, Rovi
