Edmundo Rivero. Tango singer and guitar player, composer. Original name: Leonel Edmundo Rivero. One of the tango's greatest voices. He was a studious person that began with classic music at an early age at the National Conservatory, where he studied singing and later guitar playing. He was definitively launched to fame when he was required by Aníbal Troilo to be a member of his great orchestra. In 1950 he began his career as soloist. In 1969 he opened his own tango house, the legendary "El Viejo Almacén". He was a genial singer, with a gentleman-like personality that the public remembers and admires in each one of his recordings. ---findagrave.com

Leonel Edmundo Rivero (June 8, 1911 – January 18, 1986) was an Argentine tango singer and impresario.

Representa un caso singular en la extensa galería de cantores de tango. El registro de bajo, que contenía su voz, era una verdadera rareza en el género y, a la vez, algo poco apreciado por la pléyade tanguera, acostumbrada a los barítonos y tenorinos. Sin embargo, la afinación y los coloridos matices de su fraseo, sumado todo ello a un sentimiento y estilo criollo con reminiscencias gardelianas, lo hicieron un favorito del público y, al mismo tiempo, el primer caso de una voz gruesa imponiéndose en un momento de extraordinarios vocalistas. ---last.fm
