"Non sono una signora" (i.e. "I am not a lady") is an Italian pop-rock song written by Ivano Fossati and performed by Loredana Bertè. Considered Bertè's signature song, it has influenced her provocative image and aggressive style in the following years of career. It has been described as a "career catch" song for Bertè.

The song won the 1982 edition of Festivalbar. It was adapted in Spanish language as "Ella es una señora" (in a version performed by Lucía Méndez) and as "No soy una señora" (in a version performed by Melissa and later by María José). ---wikipedia,/
