## Tadeusz Nalepa (26 August 1943 – 4 March 2007) – Take Care of Love

**Take Care of Love** Love me in the morning Love me in the evening Don't you try, to take it bye Give it to me gentry Touch me with your body This is what, that's what I need If you ever live me I will have to live to Someone else Love me in the day time Love me in the night time Never stay its just again Trust me that I need you Trust me that I wont you Loving you I feel so good If you ever live me I will have to look for Someone else Love me we now coming Love me we now living Make me dream, dream never part Let me to your kisses And you arms around me If you go, you have to go If you ever live me I will have to look for Someone else
