Tadeusz Nalepa, Mira Kubasinska & Breakout – On The Other Side Of Rainbow

On The Other Side Of Rainbow (1969) You always come to me when dusk is setting in you light a rainbow river and break the night. You never ask for anything you know what I want after all: to cross the rainbow to its unknown other bank. To see the sun in the night to see snow in summer to hold a rabbit in one's hands and stroke his fur with one's hand.
Tadeusz Nalepa - guitar, vocals, harmonic Mira Kubasińska - vocals Michał Muzolf - bass guitar Józef Hajdasz - drums Włodzimierz Nahorny - saxophone
