Tadeusz Nalepa, ira Kubasinska & Breakout – If You Loved Me, Hey!

If You Loved Me, Hey(1969) If you loved me just a little bit, hey If you loved me as much you don't love me, If you weren't as you are, wanted me as much as you don't want me... You would be a wind and I would be a field, hey You would be a sky and I would be a poplar, hey You would be sun and I would be a shadow If you just changed yourself... If you weren't in my dreams at night, hey If you finally left me alone, hey Maybe I would forgive yeu, Maybe I would forget...
