Originally released through now defunct Happy Leper Records, Piotr Kamler's Kronopolis is now remixed and remastered and bigger than ever. This classic neo-trash/HACKORE album is everything that made the scene what it was in Australia. Products of the static age, Making Punk angry again. The Art of audio graffiti. Piotr Kamler are one of the big four in neotrash, and this album proves why. --- piotrkamler.bandcamp.com

Led by a beautiful female juggernaut, Piotr Kamler are royalty in the Neo-trash scene. These guys call themselves "Products of the static age" and their mission is to make punk angry again. They are doing this via the art of audio graffiti NEO-TRASH. --- enterstarplanet.com
