The title explains itself. This 2013 compilation contains both music and photos from Bob Dylan, with the latter -- arriving as ten full-size photographic prints within this book -- taking precedence over the former. Which isn't to say the music here is bad, of course. This is a good double-disc collection containing 36 staples sampled from throughout Dylan's lengthy career, including almost all the usual suspects, most of which aren't sequenced in chronological order. All this is great music but it's all easily available elsewhere, so it's not an enticement for the kind of fan who will pick this up solely to get the photos. Nevertheless, this is a handsome package designed for those who prefer photos to music. --- Stephen Thomas Erlewine, Rovi

Sony Music prezentuje kolekcjonerskie wydawnictwo z serii Music & Photos. Dziesięć wspaniałych wielkoformatowych fotografii i dwie płyty CD pokazujące muzyczny geniusz Boba Dylana. Na dwóch krążkach dołączonych do tego niezwykłego wydawnictwa usłyszeć można jak rozwijała się kariera Dylana. Od przełomowego hymnu praw obywatelskich "Blowin 'In The Wind", poprzez jego okres "elektryczny" do dojrzałego, jednego z najbardziej kulturowo znaczących artystów we współczesnej historii. Całość uzupełnia dziesięć unikalnych, wielkoformatowych fotografii artysty. --- merlin.pl
