Katharine Hope McPhee (born March 25, 1984) is an American pop singer, songwriter, actress, model, and television personality. She gained fame as a contestant on the fifth season of the Fox reality show *American Idol* in 2006, eventually finishing as the runner-up.

This is a classic and elegant Christmas album. Katharine McPhee's vocals plus Christmas songs equals magical perfection! This has become one of my favorite Christmas albums instantly! There is indeed a certain quality to McPhee's voice that sets her apart from other vocalists. I love every track in this album, no exception! She did a different take on "Jingle Bells", which is great. Her original Christmas composition, "It's Not Christmas Without You" is a beautiful song. She set the key high vocally in the title track, "Christmas Is the Time to Say I Love You", which I truly love. With Chris Botti in "Have Yourself A Merry Little Christmas", it is bound to be a classic. Her voice resonates and is crystal clear on the poignant album closer, "Who Would Imagine A King".
