Teenage television actress Vanessa Hudgens was best known for her role as Gabriella Montez in the highly popular Disney TV film *HIGH SCHOOL MUSICAL* when this 2006 album was released. It charted high based on the success of the infectious R&B groover "Come Back to Me." Other highlights from the singer's debut include "Never Underestimate a Girl," which has all the snap and tart wit of Janet Jackson's best work, and the sweet, citrus-y "Let Go" and "Psychic," which both demonstrate the singer's mellower, more melodic side. ---allmusic.com
