A Hundred Miles or More: A Collection is a compilation album. It was released on April 3, 2007, and is a collection of new and old songs that Krauss has recorded. It features duets with Sting, Brad Paisley, John Waite, and James Taylor. The album debuted and peaked at #10 on the U.S. Billboard 200, and at #3 on the U.S. Top Country Albums, and #38 on the UK Albums Chart. Two singles were released from the album. The first, a cover song of the John Waite

song, "Missing You", reached #34 on the Hot Country Songs chart. The second single, "Simple Love", failed to chart.

Although the subtitle suggests that A HUNDRED MILES OR MORE is just a standard greatest hits set, this anthology is actually something far more useful. The career-spanning 16-track set gathers nearly all of Alison Krauss's soundtrack appearances, guest shots on other folks' albums, tribute songs, and a handful of other rarities. By gathering all this material in one place, it's a hugely useful album for fans, but on its own musical merits, A HUNDRED MILES OR MORE contains some of Alison Krauss's best work.
