Warm-hearted and tender-voiced, Anne Murray's lovely, inspirational music is perfectly paired with songs of devotion, praise, and faith on this double-disc collection. Of those as seen on TV compilations, there is only one song not available elsewhere, the delightful "Let There Be Love,"

recorded with her daughter Anne. One listen to these 26 enchanting, inspirational classics and any listener will be lost in devotional prayer. ---James Conde, Editorial Reviews

Anne Murray's pipes are in great working condition on this new CD. Not only are the songs inspirational, but Anne is also an inspiration to all other "older" singers. Over the past decade, Anne has diversified her recording and strayed away from the formulaic same-sound-as-the-last-CD that perpetuates so many younger singers CDs (Shania Twain, Celine Dion, Mariah Carey to name a few). The result is confirmation of her status not only as a great singer but one with artistic integrity. Though many songs on this CD are of the religious variety, there are plenty more contemporary tracks here to satisfy all - including one of the best tracks off of her previous self-titled studio album - "The Other Side" (hopefully the second single). "Let There Be Love" and "Elijah" will please her younger fans. Classy and confident. Good show Anne. ---amazon.com
