Yemen blues is an original and a fascinating meeting between the traditional Yemenite melodies & the world of blues, jazz and funk. The flavors of the West African music roots and the enhanced modern compositions are bringing together a breathtaking experience mixture of beautiful complex grooves. Yemen Blues was founded by Ravid Kahalani, a talented singer who grew up to a traditional Yemanite family, learned the language and the traditional chants of his origin, and extended his influences in the areas of blues & west African soul, from the Sahara desert, thru the classical Opera singing to the Afro American blues. Ravid joined forces with Omer Avital, a well known bass player and compositor, and together they gathered 'Yemen Blues', a supergroup of top musicians from New york, Israel and Uruguay. Yemen Blues concerts are the ultimate celebration of African grooves, a pure happiness & deep emotion Yemenite singing, a new music experience and innovative sound.
