Lisa Stansfield's long-awaited eponymous fourth album finds the blue-eyed soul singer at the top of her game, turning in a stylish set of smooth, disco-inflected dance-pop. The songs, from a cover of Barry White's "Never, Never Gonna Give You Up" and "Never Gonna Fall" to the ballad "I Cried My Last Tear," are uniformly strong and Stansfield's voice is seductive and sexy, making the album a small gem in her catalog. ---Stephen Thomas Erlewine, AllMusic Review
