Nirvana – As Alive As Ever (1991)

01 Something In The Way 02 Negative Creep 03 Been A Son 04 Blew 05 Polly 06 Rape Me 07 Pennyroyal Tea 08 School 09 Smells Like Teen Spirit 10 In Bloom 11 Come As You Are 12 Floyd The Barber 13 Endless, Nameless Recorded live at The Aladin, Bremen 27.08.91.

The 8/27/91 show is one of the most interesting Nirvana shows in circulation, the way the band react to the sound problems that plague them from "polly" onwards make this a very unique show, but this isn't the place to hear it! the recording is noticeably sped up and becomes annoying after a while. Get the soundboard version from trading circles instead.
