Rock Star is a 2001 American comedy-drama film directed by Stephen Herek and starring Mark Wahlberg and Jennifer Aniston. It tells the story of Chris "Izzy" Cole, a tribute band singer whose ascendance to the position of lead vocalist of his favorite band was inspired by the real-life story of Tim "Ripper" Owens, singer in a Judas Priest tribute band who was chosen to replace singer Rob Halford when he left the band.

The band members are portrayed by ex-Dokken and current Foreigner bassist Jeff Pilson, Black Label Society and ex-Ozzy Osbourne guitarist Zakk Wylde, actor Dominic West, and ex-Foreigner and current Black Country Communion drummer Jason Bonham (the son of the late drummer for Led Zeppelin, John Bonham). Myles Kennedy, who was at the time the lead vocalist of The Mayfield Four and now the frontman of Alter Bridge and Slash's solo project, makes a cameo appearance.

The singing voice for Wahlberg's character was provided by Steelheart frontman Miljenko Matijevic for the Steel Dragon Songs, the final number dubbed by Brian Vander Ark. Jeff Scott Soto (of Talisman, Yngwie Malmsteen, Soul Sirkus, and Journey) provided the voice of the singer Wahlberg's character replaces. Kennedy is the only actor whose actual voice is used.
