Is there anyone out there who hasn't posed in front of the mirror, face contorted in concentration as their fingers frenetically pick out each note of an epic solo...on an imaginary guitar? Whether specialising in acoustic, electric or even air guitar, millions of us across the world have been entranced by the sound of expertly plucked strings, and of course the legendary stars who have made their names wielding their impressive instruments.

Inside us all is a lead guitarist waiting to break out, and here comes the perfect soundtrack to accompany that magical moment.

With a range of legendary songs from such celebrated guitarists as Chuck Berry, Ritchie Valens, Les Paul, Johnny Guitar Watson, Duane Eddy and Link Wray, this double CD set is every rock n roll fan's dream come true. So turn the speakers up to 11 and enjoy 40 rockin cuts from the coolest cats to ever pick up an axe. --- amazon.co.uk
