Tim Buckley – Lorca (1970)

01. *Lorca* - 9:54
02. *Anonymous Proposition* - 7:44
03. *I Had A Talk With My Woman* - 5:56
04. *Driftin'* - 8:07
05. *Nobody Walkin'* - 7:35

Personnel:

- Tim Buckley - 12-string guitar, vocal
- John Balkin - upright bass, fender bass, pipe organ
- Lee Underwood - electric guitar, electric piano
- Carter C.C. Collins – congas

Buckley stunned and, to a rare degree, alienated fans with the dissonant, at times wearying, avant-garde exercises in vocal gymnastics that took up the entire first side of this LP. Side two was far more accessible, though Buckley's fusion of folk instrumentation with jazzy improvisation on extended compositions continued to take him further away from his folk-rock roots. ---Richie Unterberger, AllMusic Review
