From the back streets of Sydney's Inner-West, L.U.S.T. are a band of four who play a unique brand of rock. Fusing the obnoxious anarchy of '70s punk rock with the guitar driven trash of '80s hard rock, L.U.S.T. are a fast and hard punch to the throat. With a history on the road ripping apart venues L.U.S.T. toured nationally with the likes of The Screaming Jets and Nashville Pussy (US). In February 2010, the boys completed a full Australian tour with Ace Frehley (KISS) to launch their debut single 'FIRST TATTOO'. L.U.S.T. have just released their debut album 'FIRST TATTOO' to the world. Fueling the album is a lifestyle of love, loss, life, death, women, tattoos, alcohol and destruction. Distributed by MGM, available nationally.

Song 'SEE YOU IN HELL' has been chosen by MTV as the theme for 'Headbangers Ball'. Tuesday nights at 11pm AEST, on MTV Classic. The rare kind of group who get out there and get their hands dirty, the boys have worked hard to earn themselves a fierce and dedicated legion of fans. L.U.S.T. are a diamond in the rough who aren't going to sit around waiting to be discovered.
