Personnel: Jack Bruce :: Anton Fig :: Pat Thrall. Guest Musician: Eric Clapton. Recorded Live at The Bottom Line, New York, USA - October 10, 1988.

IMO, the best Solo band I ever heard w/Bruce. No flash gtr crap and such, Pat Thrall keeps it real, Ha. Bad Sign is way Hot, dig Jacks scat/solo bit, Is he having a "Jack Attack" or what. "As You Said is awesome too..but hey, the whole show/set is great... "Spoonful w/Eric is nice, you can feel it brew as Eric gets reacquainted w/his surroundings, doesn't really overplay, just plays really well..its really good. This is also the 1st time that Jack & Eric played together in public since CREAM. Enjoy, Its a really great performance by all. ---vivaesbootlegs.blogspot.com
