Former glam metal icon and current Enuff Z'Nuff frontman Donnie Vie is a consummate songwriter of classic rock melodies that endure. His trademark voice is readily identifiable. This month will see Vie release his newest solo effort, *Wrapped Around My Middle Finger*. Vie, who also plays guitar and keys, has a knack for tapping into his love of psychedelic era Beatles and crafting songs that recall the majesty of that era, without turning homage into plagiarism.

Joining Vie in his solo project are fellow Enuff Z'Nuff bandmate, drummer Randi Scott, along with lead guitarist Jimmy Maguire, and bassist Patrick Pulver.

On *Wrapped Around My Middle Finger*, Vie dishes up some memorably addictive songs that tend to get stuck in your head for days at a time. The album's title cut leads the event off with a heavy riff and groove ode to the life of rock stardom. Lots of swing and harmonies on the chorus. A real shaker. --- Rustyn Rose, examiner.com
