Here you go – Here is our interpretation of early. In the days when music history created, fast no one knew about it. In our hearts, one of the greatest yet least record label and studio, Sun Records, 706 Union Avenue in Memphis Tennessee. We've collected some of our favorites on this article. Of course some of my own interpretations and some songs you probably heard before and some you have not heard.

Sun Records is like a big treasure chest and finding new diamonds all the time. The Years 1952-1960 it never really end. We have here b la picked from, Warren Smith, Carl Perkins, Jerry Lee Lewis, Little Milton, Charlie Rich, Carl Mann och Onie Wheeler. We are proud o happy to have done this for real, The old fashioned way! A bunch of awesome songs, joyously, a couple of cases of beer, four pickups in one o the same room, great energy and attitude. We loved it! ---The Playtones
