Vintjarn records is a small independent rockabilly record label from the heart of Sweden. We record and release 50's type of music that we like, such as rockabilly, rock'n'roll, country bop, rockin' blues and so on.

We don't try to make music that is commercial, that would sell as much records as possible. We might allways be uderground, but we do the music that comes out from our hears and soul.
