Ormstunga, a symphonic black metal band from Colorado, USA. "Nefarious Sagas" is the name of their debut full-length album and it's up for free download now! The band consists of two members and the album features fifty minutes of symphonic black metal over the course of nine tracks. Ormstunga is rather modern sounding, but that doesn't mean post-black metal; but the sound that bands like Dimmu Borgir brought to everyone's attention.
