## Naomi - Candy Floss (2013)

01. Candy Floss - Radio Edit 02. Candy Floss 03. Personal Big Bang - Live Version 04. Fujiyama - Live Version 05. Candy Floss - Live Version Naomi are: Bernd Lechler and Nico Tobias Wirtz.

While they are working on their new album, Naomi don't let anybody but their fans peer behind the scenes: New songs are being tested during several live gigs with the amazing new foursome line-up, lastly in Istanbul by the end of January, in Moscow in April and especially at their next gig at the "Lido" in Berlin, on March 16th.

As the finishing of the album may take some more time, Naomi now release "the secret weapon" of their last album "The Big Shapes" as their new single: Last year, "Candy Floss" was supposed to be released as a single more than once, but every time something intervened - last a video shoot was canceled because the director suddenly got lost, although one hundred hula dancers were already booked.

Particularly gratifying, the highly-energetic Glam-Pop-Track will now bring the spring break forward: "Candy Floss" by Naomi will be out on March 1st as iTunes-EP including three additional live tracks. --- mole.de
