Maddox Street is a psychedelic heavy blues/rock 'n' roll band from Gothenburg, Sweden. The band was formed in January 2011 with the intentions to play high class rock 'n' roll music with thought out musical arrangements.

Maddox Street - The name refers to a street in London to which many of our musical inspirations has a connection. The Rolling Stones had their first official office at Maddox Street and the Beatles held recording sessions during the 60's at Chappell Recording Studios, also located on Maddox Street. ---facebook.com
