Returning to Atco, the label where the legendary Southern rock band spent the early part of the '70s, Black Oak Arkansas deliver a mix of the past and the present on *Back Thar n' Over Yonder*. Made up of five newly recorded tracks and ten unreleased cuts from their original stint on the label, the album feels handcrafted for die-hard fans. Along with the tracks, the album features a booklet jam-packed with live photos, old tour posters, promo stills, and family pictures, allowing listeners to be right there with the band as they take a stroll down memory lane. --Gregory Heaney, AllMusic Review
