The Searchers □ – Needles & Pins (1971)

1. Needles And Pins 2. Sugar And Spice 3. What Have They Done To The Rain 4. Take Me For What I'm Worth 5. Have You Ever Loved Somebody 6. Some Other Guy 7. Hi-Heel Sneakers 8. Sea Of Heartbreak 9. If I Could Find Someone 10. Saints And Searchers John McNally - guitar, vocals Mike Pender - lead guitar, vocals Chris Curtis - drums, lead vocals Tony Jackson - bass, lead vocals

The Searchers recorded over 100 sides for Pye Records between 1963 and the end of the decade, 30 of which are presented here in this two-disc set, including a compelling and undeniably infectious cover of Sonny Bono's "Needles and Pins" as well as the hits "Sweets for My Sweet" and "Love Potion No. 9." The group's charming version of "Sugar and Spice," unfortunately, is absent. Still, at 30 tracks, this is a nice, long look at a fun band. ---Steve Leggett, AllMusic Review
