supposed to be one of the most successful and long-lasting tour the band has ever done. In 2007 it was voted #6 tour of the year by listeners of the Planet Rock radio station.

During the tour Deep Purple covered 5 continents and played in more than 50 countries. They did over 28 legs in Europe, UK, North America, South America, Asia, Africa and Australia, playing almost 500 shows in 6 years. Venue sizes varied from big concert halls, to the world's largest arenas and stadiums.
