Mahalia Jackson - Sings America's Favorite Hymns (1977)

Search Me Lord Lord, Don't Let Me Fail Old Rugged Cross, The Upper Room, The Just a Closer Walk With Thee Without God I Could Do Nothing Take My Hand Precious Lord It Don't Cost Very Much Were You There? Calvary Didn't It Rain Go Tell It on the Mountain Walk Over God's Heaven He's Got the Whole World in His Hands Rock of Ages Jesus Met the Woman at the Well There Is a Balm in Gilead Trouble of the World Elijah Rock

Mahalia Jackson is often lauded as the greatest gospel singer of all time; but, this collection proves that even that high praise understates her gift. She was undoubtedly one of the finest recording artists of any genre and this anthology explores the full range of her abilities from raw gospel (Elijah Rock), to soaring anthems (Rock of Ages) and quaint folk ballads (It Don't Cost Very Much) - all of them sung with the perfect degree of power or restraint, rhythm or melody. If you only own one Mahalia Jackson collection, this is the one to buy. ---Christopher Hutson, amazon.com
