In 1990, Robillard joined the Fabulous Thunderbirds. Even though he had become a member of the Austin group, the guitarist continued to record and tour as a solo artist, signing with the major label Point Blank/Virgin in 1994 for *Temptation*. ****Duke's Blues**** followed two years later, and after one more album for Virgin, 1997's *Dangerous Place*, Robillard signed to Shanachie for 1999's *New Blues for Modern Man*. *Conversations in Swing Guitar* followed later that year, and the prolific guitarist returned in mid-2000 with *Explorer*.
