Personnel:

Charlie Sayles (vocals, harmonica);

Robert Palinic (guitar);

Larry Wise (harmonica);

Kerry Sayles (bass guitar);

Chip Oswald (drums).

Charlie Sayles' Night Ain't Right is an impressive comeback, finding the harpist in prime form. The key to the record's success is the way Sayles twists conventions around, finding tastes of flourishes funk and jazz within the genre's boundaries. His willingness to play with the music is the reason why Night Ain't Right is a modern-day Chicago blues record worth exploring. – Tom Owens
