The Glenn Kaiser Band (GKB) is a veteran trio from Chicago that combines classic rock and blues styles. Glenn Kaiser, formerly of Resurrection Band (Rez), is featured in this rockin' band with his powerful vocals and soulful, gritty electric and slide guitar. Roy Montroy, also of Rez, sets the groove on bass guitar and Ed Bialach on drums drives the rhythm with precision and style. These three musicians have jammed together for years and it shows in their tight, energetic performances. ---grrrrecords.com
