King - Guitar, Piano Johnny Pate - Arranged, Conductor

This isn't his most well-known stuff, but it's a very solid late '60s set. Featuring brassy arrangements by Johnny Pate (who also worked with many prominent Chicago soul acts during the '60s), it presents King's sound at its fullest without sacrificing any of his grit or sophisticated swing. No famous classics here, but the material is very strong throughout. --- Richie Unterberger, allmusic.com
