## Tom Healey Band - Pearl Street (2001)

*01 - Meanass 02 - Sick And Tired 03 - Nobody Writes 04 - Kitchen's Closed 05 - Couple Down The Hall 06 - Hookerfied 07 - If You Love It 08 - Lost Dog 09 - Nighttime 10 - Like You Never Left* Musicians: Tom Healey - vocals, guitar, harmonica Adam Graham – bass, vocals George Deveny - guitar, slide guitar, vocals George Mastrangelo – saxophone Bob Holz - drums

The Tom Healey Band released its debut CD, Pearl Street, in 2001 to strong reviews. Their brand of blues, soul and Southern r 'n' b comes through loud and clear on the long-awaited disc.

In the Troy Record, reviewer Don Wilcock called Pearl Street, "the best local blues album I've ever heard. In fact I'd stand Pearl Street up next to any of the recent releases from independent labels such as Alligator and Blind Pig and argue comparisons with the masters at larger labels such as Telarc and PointBlank."

Metroland's review called Pearl Street, "Uptempo... and a fair amount of attitude... Healey also gets points for the writerly way he attacks his subjects." BLUESprint magazine said Pearl Street had "...a unique sound that builds on the heritage of classic blues artists like Howlin' Wolf and John Lee Hooker... [Healey's] slinky, scurrilous treatment on vocals is as colorful as the hipster Dr. John with a scratchy Tom Waits decadence thrown in." ---cdbaby.com
