Flávio Guimarães - On The Loose (1999)

01 - Keep It To Yourself 02 - Berimbau Não É Gaita 03 - You Was Wrong 04 - Checkin' On My Baby 05 - On The Loose 06 - Baby What You Want Me To Do 07 - Boogie Pro Rafa 08 - Jam For Big Walter 09 - Blowin' The Family's Jewel 10 - Rock With Me 11 - Tributo A William Clarke

The main harp player from Brazil, Flavio is a very interesting blues player, with lots of feeling and a good sense of when to play and when not to play (a rare feature of any instrumentalist !)
This album has one track dedicated to William Clarke, and the influence cannot be denied, especially on jumpy 3rd position tunes like "Blowin' the family jewels". He has gone beyond that though and the more unusual tracks like the funky instrumental "Berimbau Nao E Gaita" feature really nice playing. He's definitely worth discovering ! – BF, planetharmonica.com
