With a captivating rawness and an explosive stage show, the Norwegian artist Peer Gynt has enchanted his public and the press in all of Europe and USA, with his magnificent musical charm and radiant performances.

With a unique collage of hard-hitting rock, bluesy-pop and Norwegian folk tones, Peer Gynt has managed to place Norwegian music on the international charts.

Since the release of “First Act” in 1996 on the Tylden label, his first video “Good Lord”, and significant touring in Scandinavia and the rest of Europe as well as the USA, Peer Gynt is known as one of the most attractive live artists Norway has to offer, presenting his faithful audience with over 100 concerts each year, for the past fifteen years.

The new album “Witchcraft” is produced by Peer Gynt and StarGate Producer, Hallgeir Rustan (Elton John, Pet Shop Boys, Blue, Mary J. Blige, Cheer). --- peergynt.net
