We are a power trio comprised of Mitchell Brady (Guitar / Vocals), Keone Friesen (Bass / Harmonica / Backup Vocals), and Isaiah Stonehouse (Drums / Backup Vocals) with a goal to form an electrifying collaboration of free flowing precision, old school vibe, and high energy blues / rock. Inspired by the 60s, 70s, as well as present bands, our sound radiates blues / rock n' roll rides, with romps of alternative, indie and psychedelic rock. Our debut album Windsor Street was released in 2014, followed up by a 4 song EP titled At Odds, released in 2015. Both efforts were acclaimed for strong guitar riff's, flowing vocals, and booming support grooves. We are currently just finishing up our 2nd full length album, which we plan to release very soon! Performing at venues such as Flames Central, McEwan Hall, The Blues Can, The Ironwood, Ship & Anchor, The Roxy, and multiple festivals across Alberta and BC with names like The Lilac Festival, Beaumont Roots and Blues Festival, and the Steamboat Mountain Music Festival, to name a few. We have shared the stage with artists like Colin James, Tim Williams, The Sheepdogs, and more. We are also honoured to have won Multiple Best Band, Best Performance, and Best Youth Band winners, third place in the 2015 International Songwriters Competition (ISC), and Rock Recording of the Year at the 2016 YYC Music Awards. Emulating the days of rock and roll in both sound and on stage, this is The Static Shift. --- thestaticshift.com
