Hailed as "the Godfather of British Blues," Grammy-nominated singer, songwriter, and multi-instrumentalist John Mayall continues to keep the blues alive and will be performing live at the Rockhal on 17 April 2014 as part of his 80th anniversary tour. Long known for his ability to pick great guitar players for his indomitable Bluesbreakers, John has done more to spread the story of the blues in the UK than any other musician. Now, he continues to tour with a brand new band, reinforcing his on going mastery!

As the elder statesman of British blues, John Mayall is renowned as a bandleader and performer, and mentored some of the biggest names in rock n roll, including Eric Clapton and Mick Taylor. Few musicians have enjoyed the critical acclaim and longevity as the Grammy-nominated singer, songwriter and multi-instrumentalist. --- rockhal.lu
