Lightnin' Hopkins - Guitar, piano, vocals Wilson "Thunder" Smith - Piano, vocals Unknown - Drums

This is where it all began for the Houston troubadour: 43 solo sides, as evocative and stark as any he ever did, from 1946-1948. The first 13 sides find the guitarist in tandem with pianist Wilson "Thunder" Smith (who handles the vocals on a few tracks), but after that, old Lightnin' Hopkins went the solo route. "Katie May," "Short Haired Woman," "Abilene," "Shotgun" -- all these and more rate with his seminal performances. ---Bill Dahl, allmusic.com
