Effects & Percussion - Malcolm Bruce
Steel Drum - Yates McKendree
Djembe - Delbert McClinton

Clay demonstrates his musical virtuosity with the release of his third album, *Livin' Out Loud* (2010). He blends Americana and Texas blues with a touch of country to give us a tremendous follow up to his two previous releases—*Out of the Blue* (2004) and *Son of a Gun* (2006). *Livin' Out Loud* is openhearted and thoughtful, and often explores the tension between the love for adventure and the longing for home. ---claymcclinton.com

Quietly lurking in the shadows of the Texas music scene, the humble yet immensely talented Clay McClinton hits a home run with his newest release, *Livin' Out Loud*. ---Tracie Ferguson, Lone Star Music Magazine
