Ron Carter - San Sebastian (2013)

1. *Candle Light* 2. *My Funny Valentine* 3. *Saudade* 4. *Samba de Orpheu* 5. *The Golden Striker*
Musicians: Ron Carter - Bass Russell Malone - Guitar Mulgrew Miller – Piano

Consisting as it does of pianist Mulgrew Miller, guitarist Russell Malone and Carter himself on bass, Ron Carter's Golden Striker Trio might be described as a supergroup, although the label doesn't quite fit its slightly introspective brand of jazz chamber music. All three are such stupendous players that they could go on tinkering away for hours at tunes like *My Funny Valentine* and keep you spellbound. The trio's name derives, of course, from a classic old Modern Jazz Quartet number, and in some ways it's a successor to the MJQ, although less formal in style and presentation. --- Dave Gelly, theguardian.com
